THE TITAN REMOTE SPEAKER MICROPHONE

The Titan Remote Speaker Microphone MM50 is the ideal remote speaker microphone for smoke divers and rescue personnel that require large buttons and loud high quality audio. With two large Push-To-Talk buttons, enhanced control buttons, a high performance speaker and IP67 protection rating, the Titan MM50 is a must-have.

The Nexus connector and 3.5mm jack socket enable users to combine the MM50 with a multitude of audio accessories, making it ideal for users needing to connect helmet audio systems.
